Print Guidelines

File Layout

- Please supply all used images, drawings and outline all fonts
- Please make sure all colours are CMYK. (No spots or RGB)
- No compression of files

Images

- Must be CMYK
- All images must be 720 DPI at 100%

Gradients

- Create gradients in Photoshop
- 72 DPI at 100% / Full scale
- Add Noise (filter > Noise filter > Add Noise)
- Around 3% noise for best results
